Other Mohave Notes of Interest:

1) **Update: Maintenance Supplies and Building Materials Solicitation (MSBM).** Based on input from multiple vendors who attended the pre-proposal conference, Mohave has moved the proposal due date to 1/29/10. We are looking at a 2/28/10 award date; however, this may need to be extended into March depending upon the number of responses, etc.

2) **Mohave Board of Trustee Election.** The results of Mohave's election are in, Mr Paul Christensen and Ms Lorelei Poll were again voted in as your Board of Trustees for 2010-2012. They were installed on January 12th. Next year, Mohave will again have two Board seats to be filled.

3) **Thank you to those who completed the Annual Mohave Member Survey.** The results of our Member Survey for 2009 are now posted on our web site. Please take a look at the comments and thank you for taking the time to help us improve our processes, contracts, and information.

4) **How about? Mohave Expo 2009 – Green and Much More!** Mohave is reviewing several options for a Mohave Expo 2009. Our Vendor Focus Group has suggested we "go Green" this year. Many of Mohave's vendors have Green or otherwise sustainable options for your consideration. We are thinking this year's Expo could highlight those areas. We are looking at early April for this event (perhaps Friday, April 9th). Give us your feedback!

5) **Need for Member Focus Group members!** Need both school and city members for this semi-annual meeting/teleconference call. Interested, give me a call.
