## Other Mohave items

1) Thank you for attending the 6<sup>th</sup> Annual Mohave Expo! Also, many thanks for completing our surveys...we received some great input for next year's Expo.

2) Results of recent new contract survey. As a result of member input, Mohave will be issuing two new solicitations. One in the area of Electrical Supplies & Services and one in the area of Document Destruction. A volume use survey will be coming out in the next week or so. Don't forget to use "Solicitation Request" on our web site to give us input as to what new contracts you would like to see. These solicitations will be incorporated into the Procurement Schedule in the near future.

3) Survey of Mohave members indicated that new pricing pages (online access to all contracts, all current and past pricing) are very valuable to purchasing departments and to frontline users who are allowed access.
