Other Mohave items

1) **Need additional members to serve on our Member Focus Groups!** We are looking for individuals to serve on our Member Focus Groups; we have an Education Focus Group and a City, County, and Other Focus Group. Please e-mail me at markk@mesc.org if you are interested in being a member of our Focus Group.

2) **Ride the Rail to "Mohave Solutions: Technology" April 22nd, Downtown Phoenix, 12pm-4pm:** All Mohave members and potential members are welcome. This is a no cost event. Guest speaker Jeff Billings (Paradise Valley SD IT Director) talks about today's student learning and how PVSD is leading the way in Arizona in this area. He also tells about the things you should be doing to your IT infrastructure to make it happen. He speaks at 2pm. Also, nearly 30 Mohave vendors are on site to discuss their Mohave contracts (alarms, computers, networking, copiers, software, etc.).

3) **Better Organized Contract Documentation on the Web!** We listened to you! We have made our contract documentation files more detailed (e.g., RFP determination and award notification are separate files in the document download) to allow for quicker Due Diligence review. Check out our "Contract Documentation" section on the web and our revised "Due Diligence" presentation to guide you through our contract files.

4) **Need a new contract?** Request that we look into it on our website! We have a section on our website, "Solicitation Request", that allows you to list what new contracts you would like us to consider and get other member feedback on.
