#### **STAY OF AWARD, STRUCTURED CABLING IFB 09B-0323**

MESC has made a decision to stay the award of IFB 09B-0323 for ten business days from August 13, 2009. No purchase orders will be processed during this period. After initial award, Mohave determined that the evaluation included sample job items that may have disproportionately skewed sample job costs. To ensure compliance with procurement rules and the intent of the solicitation Mohave is reevaluating this award. We anticipate a final decision to be made by August 28, 2009. Questions may be directed to Nancy Colbaugh, Contract Specialist ([nancy@mesc.org](mailto:nancy@mesc.org)), or Craig A. McKee, Director of Contracting Programs, ([craig@mesc.org](mailto:craig@mesc.org)).

### **Other Mohave Notes:**

**Mohave Expo 2009 cancelled (tentatively had been scheduled for October 2<sup>nd</sup>). We are currently looking an Expo type event in the Spring of 2010. We are looking at options to include a virtual expo participation for those members who cannot attend in person.**

**Mohave Member and Vendor Focus Groups. Mohave's member and vendor focus groups have been discussing potential new contracts and the impact of the economy on cooperative and other purchasing. Members who would like to assist in the development of a hardware, lumber, and other related materials solicitation should contact me immediately. Look for this and other information regarding these discussions in our August Mohave eNews!**

**\*\*\*Don't forget!!!\*\*\* Mohave's website allows for members to complete a "Performance Report" (this page tab can be found on the Members Purchasing Services page) on vendors—good or bad performance—who complete work for them. This is a very easy to complete section on our website. Tell our vendors how they did!**
