11-6 December 16, 2011 Mohave added new resources to Product/Vendor Finder

The following information was provided by the Mohave Outreach Team, outreach@mesc.org.

SUBJECT: MOHAVE HAS ADDED NEW RESOURCES TO OUR PRODUKT/VENDOR FINDER

Mohave has added another helpful web tool to aid members in using our contracts. On each vendor detail page the new resource section has quick links designed to navigate users to the most commonly used parts of our website.

Resources include:

- Quick download of contract information
- Easy access to due diligence information
- Downloadable contract user guides
- Quick access to pricing

Try it today!

If you have questions about this new feature, please contact outreach@mesc.org or 602-277-4290.

Page Updated 1/5/12

11-5 June 9, 2011 Mohave adds new user guide feature to Product/Vendor Finder

The following information was provided by the Mohave Outreach Team, outreach@mesc.org.

SUBJECT: MOHAVE ADDS NEW USER GUIDE FEATURE TO PRODUKT/VENDOR FINDER

Mohave has recently added another web tool to help members use our contracts. We now have user guides available for all contracts. These user guides are generated automatically from the current data we have on file, and are designed to provide members with key contract information, all on one page.

To create a user guide for a Mohave contract:

- Go to our [Product/Vendor Finder](#) webpage
- Select a vendor
- Click on the vendor's name to access their record
- Click on the link near the bottom of the page "Download User Guide"

As a reminder, Mohave's direct order contracts have in-depth user guides created by each vendor that contain important information on how the contract works, how to setup an account, and more. We recommend downloading the vendor-created user guides for these contracts on our [Direct Online Order](#) page.

If you have questions about this new feature, please contact outreach@mesc.org or 602-277-4290.

11-4 April 22, 2011 Mohave has added a new JOC pricing methodology

11-4 April 22, 2011 Mohave has added a new JOC pricing methodology

The following information was provided by the Mohave Contracts Team, contracts@mesc.org.

SUBJECT: MOHAVE HAS ADDED A NEW JOC PRICING METHODOLOGY FOR GENERAL CONTRACTORS

Below is a revised announcement regarding a recent amendment to Mohave's general JOC contracts. Responding to member concerns, Mohave has amended its two Job Order Contracting (JOC) general contracts, **Centennial Contractors Enterprises Inc. (09D-CENT-0902)**, and **SDB, Inc. (09D-SDB-0902)** adding an optional pricing method. The amendment took effect on **April 8, 2011**.

In addition to the standard mechanism for pricing, a coefficient applied against a unit price book, Mohave has amended these contracts to include an optional "Open-Book" pricing method, which is based on applying specified general and administrative cost and profit multipliers to firm direct job cost quotes from subcontractors and project specific general conditions.

It is recommended that members review this new pricing option with the general contractor to determine the best approach. Members must choose which method to use before actually requesting pricing from the contractor.

The amendments have been added to the contract documents on our website. Updated training information will be posted on our JOC webpage on **Friday, April 29, 2011**.

Please direct questions to Mark DiBlasi, Contract Specialist II, at mark@mesc.org or 928-718-3220.

11-3 March 31, 2011 Mohave Revised Their Member & Vendor Handbooks

The following information was provided by the Mohave Contracts Team, contracts@mesc.org.

SUBJECT: MOHAVE HAS REVISED OUR MEMBER & VENDOR HANDBOOKS

We have updated the information on Mohave's "Direct Online Order Contracts" in our member and vendor handbooks. We now have detailed procedures on our Direct Online, Hybrid Direct, and In-Store Purchase Order processes. We have also updated our examples for lease orders in the exhibits section.

We encourage you to download the latest version of the Member or Vendor handbook, and share it with your peers. These handbooks are designed to provide complete information for using Mohave contracts.

11-2 March 8, 2011 Browns Custom Fence 10J-BCF-1101 On Hold

The following information was provided by the Mohave Contracts Team, contracts@mesc.org.

SUBJECT: BROWNS CUSTOM FENCE 10J-BCF-1101 ON HOLD, BUSINESS CLOSED

We have been informed that Brown's Custom Fence (Brown's) has closed. As such, Mohave Contract 10J-BCF-1101 is on hold effective today.

No new orders can be placed under the contract. Any new member purchase order received for 10J-BCF-1101 will be promptly returned.

We are in communication with members on open orders.

Additional information will be provided as it becomes available.

Our existing contracts with [Phoenix Fence Company](#), and [Associated Fence Company](#) remain in-place.

If you have questions about this contract, please contact Michael Carter, Contract Specialist, by phone at (928) 718-3222, or by email at michael@mesc.org.
