Mohave desires to contract with no more than three firms to provide chain link, wrought iron and other types of fencing to its members on a job order basis. The work will include design, installation, repair, and alteration of a wide variety of fencing for educational, other government and not for profit agencies. Work shall be performed at various locations statewide. Street addresses and physical job site locations are unknown at this time.

Under Job Order Contracting (JOC), a master contract is established with standard specifications and pricing based upon a coefficient that is applied to a Unit Price Book (UPB). When a specific project, or job order, is issued, the member and the contractor agree on the scope of work and the cost is determined by applying the coefficient to the appropriate units in the UPB.

Because any work under this contract will be on a job order basis, exact project specifications are not available. General specifications will be included in the Request for Proposals (RFP) issued to firms whose statement of qualifications are approved. Those specifications will form the basis for any work to be performed. The specifications are intended to indicate the requirements of Mohave's members, which will include generally accepted practices in the construction industry.

Mohave currently has two JOC contracts for various types of fencing. FY2009 purchases under those contracts totaled \$1,884,374. Purchases for the first nine months of FY2010 total \$1,461,938. This information is provided as an aid to vendors in preparing statement of qualifications only. It is not to be considered a guarantee or estimate of volume under this RFQ. The successful offeror(s)' coefficient(s) and any other pricing shall apply regardless of the volume of business under the contract.

This RFQ is the first of a two-step procurement process. No more than five (5) offerors whose statement of qualifications are determined to be acceptable in accordance with the stated evaluation criteria will receive a Request for Proposals (RFP). Multiple contracts, if any, may be awarded from the RFP for up to three (3) offerors. Contracts will be awarded to the highest scoring responsive and responsible offerors. Evaluation scoring shall be in accordance with the RFP.

The projected procurement timeline is as follows: Open RFQ June 18, 2010; Short list due July 9, 2010; issue RFP July 14, 2010; open RFP August 20, 2010; award September 28, 2010.

CLARIFICATION/DISCUSSIONS

Clarifications: Clarification means communication with offeror for the sole purpose of eliminating minor irregularities, informalities, or apparent clerical mistakes in the statement of qualifications. It is achieved by explanation or substantiation, either in response to an inquiry from Mohave or as initiated by offeror. Clarification does not give offeror an opportunity to revise or modify its statement of qualifications, except to the extent that correction of apparent clerical mistakes results in a revision.

Discussions: After the initial receipt of statement of qualifications, Mohave reserves the right to conduct discussions with those offerors whose statements of qualifications are determined to be reasonably susceptible of being selected for award. Discussions occur when oral or written communications between Mohave and offeror are conducted for the purpose of clarifications involving information essential for determining the acceptability of a statement of qualifications or that provides offeror an opportunity to revise or modify its statement of qualifications. Mohave will not help offeror bring its statement of qualifications up to the level of other statement of qualifications through discussions. Mohave will not indicate to offeror a cost or price that it must meet to obtain further consideration nor will it provide any information about other offerors' statement of qualifications or prices.

CONFIDENTIAL INFORMATION

Confidential information request: If offeror believes that its statement of qualifications contains trade secrets or confidential information that should be withheld from public inspection, a statement advising Mohave of this fact shall accompany the statement of qualifications, and the information shall be so identified wherever it appears. Mohave shall review the statement and shall determine in writing whether the information shall be withheld. If Mohave determines to disclose the information, Mohave shall inform offeror in writing of such determination.

Public record: All statement of qualifications submitted in response to this solicitation shall become the property of Mohave. They will become a matter of public record available for review, subsequent to award notification, under the supervision of Mohave, by appointment, at the Kingman offices.

COOPERATIVE PURCHASING

Cooperative purchasing: This solicitation is based on the need for Mohave to provide the economic benefits of volume purchasing and reduction in administrative costs through cooperative purchasing to schools and other Members. Although contractors may restrict sales to certain public units (for example, state agencies or local government units), any contract that prohibits sales from being made to public school districts will not be considered.

Cooperative purchasing agreements: Cooperative Purchasing Agreements between Mohave and its members have been established under ARS §41-2632 through §41-2634.

General Terms and Conditions (con't)

Offeror should consider the fact that Mohave may award multiple contracts in preparing their response. The decision to award multiple contracts, award a single contract, or make no award rests solely with Mohave.

Appendix G: A Better Understanding of Mohave

1. Mohave Educational Services Cooperative, Inc. (Mohave) is a non-profit agency established by the authority of ARS §11-952 and ARS §41-2632. Mohave began administering a cooperative purchasing program in 1986 as a school service agency. Mohave's Membership includes public school districts, community colleges, city and county governments, and political subdivisions throughout Arizona. [See www.mesc.org for list of Members.]
2. Membership is established through a Cooperative Purchasing Agreement (CPA). The signed CPA serves as the contract between Mohave and the participating Member, and authorizes the Member to use Mohave's procurement contracts.
3. As a local procurement unit administering a cooperative purchasing program, Mohave follows the Arizona Procurement Code and Arizona Department of Education School District Procurement Rules to competitively solicit and award procurement contracts.
4. When Mohave issues solicitations and awards contracts in compliance with the Arizona Procurement Code and Arizona Department of Education School District Procurement Rules, all Members using those contracts are deemed to be in compliance and may use the contracts as if the contracts were their own.
5. A Mohave reviewed purchase order is a legal contract between a vendor and a Member for goods and services. Members issue purchase orders for all goods and services purchased under our contracts.
6. In accordance with the Arizona Procurement Code and Arizona Department of Education School District Procurement Rules, the buying Member is responsible for paying for goods and services received under Mohave contract. Mohave's CPA requires that the Member pay within 30 days of the date of the invoice.
7. Protection for a Mohave contractor from a Member that refuses to pay is substantial. A Member that issues a purchase order must have the funds to pay for the goods and services received from that purchase order. A non-paying Member runs the risk of losing its ability to use Mohave contracts and/or facing a variety of legal consequences that result for default on a contract.
8. Mohave has approved a procedure that allows Mohave contractors to sign multi-term contracts directly with Members, as long as the agreements are based on purchase orders from Mohave. This enables Members to make periodic rental and lease payments directly to the lender, not Mohave.
9. Mohave receives no direct tax funding for its operation. Instead, Mohave operates on a 1% administration fee, which is generally included in the contract price for materials and services. The administration fee paid is by the Member and is based upon the cost of the goods and services purchased by the Member.
10. Mohave is a unique organization. Mohave is a non-profit organization that follows the Uniform School Financial Records (USFR), a fund-accounting system used by Arizona schools. We have a Board of Trustees which functions much like a school board. We have independent annual audits, with the results reported to the Arizona Auditor General's office. Our contracts are governed by the Arizona Procurement Code and Arizona Department of Education School District Procurement Rules, the same statutes and rules directly applicable to our Members.
11. Mohave is an active Member of the Association of School Business Officials International (ASBO), the Arizona Association of School Business Officials (AASBO), Arizona School Boards Association (ASBA), the National Institute of Governmental Purchasing (NIGP), and other regional and national professional associations.
