WHAT'S NEW

December 23, 1997

Mohave wishes everyone a Happy Hanukkah and a Merry Christmas!

December 17, 1997

Mohave will be closed December 25th, 26th, January 1st and 2nd. Also, we are rearranging some of our offices over the holidays. During this time some of our personnel may not be readily available. We expect to have this completed by December 29th.

December 8, 1997

Mohave will be in booth 91 at the ASA/ASBA conference this week. Hope to see you there. We have revised the [Contract List](#) -- several contracts have been added, some have expired. Retired are: CBSI/GR Systems; Copygraphix, Inc.; Lan-Tech, Inc.; Maverick Mesa Computer; MMB Group, LLC; Mounting Systems; Skyline Fire & Comm., Inc.; Tech Design / Fritztile; Voice Plus, Inc. Mohave thanks these vendors for supporting cooperative purchasing.

December 2, 1997

The following new contracts based on 97D are now on board:

Computer Curriculum Corporation 97D-CCC-6025 (Sec. 7)

CCC provides K-Adult comprehensive ILS software/courseware at 15% discount.

Jostens Learning Corp. 97D-JLS-4220 (Sec. 7)

Turn-key computer labs with curriculum-based, student management software. This curriculum is used in many Arizona school districts.

EnviroNet Inc. 97D-ENI-2785 (Sec. 8)

EnviroNet, Inc. assists clients in assessing, achieving, and maintaining compliance with environmental regulations. Services include: environmental permitting, pollution control, hazardous materials management, health and safety, emergency response, indoor air, training, and industrial hygiene, etc.

Dominion Environmental Consultants 97D-DEC-2525 (Sec. 8)

Dominion provides a full range of environmental services. An example of services offered would be Indoor Air Quality, Asbestos, Hazardous Materials, Emergency Response, Regulatory Compliance, Employee Training, UST Compliance.

Scantron Quality Computers 97D-SQC-5515 (Sec. 5)

Educational products for Apple II, Macintosh, DOS and Windows operating systems. 10.75% off software, hardware at 5.2% off, 15% off Quality brand products.

Educational Resources 97D-EDRE-8625 (Sec. 5)

12.5% off already discounted prices on s/w & 3% off on hardware - also qty. pricing available. (Site licenses not discounted.)

Beckley Cardy Group 97D-BECK-1117 (Sec. 2)

Catalog sales of K-12 instructional materials, curriculum materials, art supplies, vocational education, science and math materials. Call for free catalog.

Keep watching this space for more details.

November 28, 1997

We have an award on the only category on IFB 97E-1024.

Donway Corporation 97E-DONW-2557 (Sec. 1)

Donway provides asphalt pavement services.

November 21, 1997

The following new contracts based on 97D are now on board:

DuPont Flooring Systems, Inc. 97D-DFS-2600 (Sec.1)

DuPont Flooring Systems provides sales, installation, and reclamation of high quality woven broadloom carpeting.

Technology Integration Group 97D-TIG-5901 (Sec. 11)

Technology Integration Group is the Apple Education Sales Agent for Arizona. They provide third party hardware and software solutions.

Windsor Management Group 97D-WMG-6537 (Sec. 3)

Windsor Management Group provides InfiniteVisions fund accounting software.

Keep watching for more details.

November 15, 1997

We are closer on 97D & 97E, but none have been awarded yet. Some of our staff will be a Comdex next week. We hope to see you there.

November 5, 1997

We are still working on the responses to 97D & 97E. Also today is my birthday.

October 28, 1997

We began the evaluation process today for 97D-1024 and 97E-1024. Special thanks to those members who came to our evaluation. Gary Hicks, Mike Elsberry, Scott Thompson, Laverne Duff, Steve Wiley, Karen Freund, and Anna Romero. We hope to have the new contracts in place by the end of November.

October 24, 1997

We received 33 proposals for [97D-1024](#) and 2 bids for 97E-1024. We will announce the contract award recipients as soon as possible. Keep watching here for more details.

October 16, 1997

Our Starkweather and Fester report is finally done. Thanks to all those who helped. To see a summary of the results click [here](#).

October 16, 1997

Our ISP is finally back to normal. We think.

October 7, 1997

Notice: Mohave RFP 97D-1024 **Section 1** (woven carpeting) has been amended. Check the [Bids and RFPs](#) page for more information.

October 6, 1997

Our e-mail is getting better, but we still have some outgoing messages returned to us. We want to thank the [Arizona Capitol Times](#) for adding special "Mohave vendor" pages. Also, thanks to all the vendors that are participating.

October 2, 1997

Our ISP had several problems with their system over the last two weeks so your e-mail message may not have been received. They assure us that everything should be working now. If you didn't receive a response to one of your messages please resend ASAP.

September 26, 1997

97D-1024 is now posted on the [Bids and RFPs](#) page.

September 16, 1997

Here are the categories for (RFP) 97D-1024 (*from the legal Ad*)

Mohave Educational Services Cooperative (Mohave) solicits sealed proposals from qualified vendors for the following:

- 1) A manufacturer of a completely recyclable high-quality woven broadloom carpeting with a 15 or more year life cycle suitable for installation in high traffic public buildings;
- 2) A single source for K-12 instructional materials, early childhood curriculum materials, school art supplies, vocational and industrial education supplies, science and math materials, and selected education support supplies;
- 3) Fund Accounting software designed for Arizona public school districts;
- 4) Complete financial management services for Arizona charter and other public schools, including special education support services to assist schools in implementing and administrating the nation's new special education laws;
- 5) A mail order educational materials catalog source for computer software and peripherals to deliver instructional content to students;
- 6) A consultant to provide technical assistance services for curriculum development, program management, consolidated planning and similar educational services for Arizona public schools in keeping with the goals of ARS § 15-343(A) and 741.01;
- 7) Managed, multimedia lab courseware and supplemental products to meet the need for mathematics, science, language arts, reading, bilingual Spanish-English, ESL, GED preparation, and at-risk instructional materials in Arizona public schools;
- 8) Qualified consultants to provide industrial hygiene and environmental services to Arizona school districts and political subdivisions;
- 9) An Arizona distributor and installer of high quality school specialty products for athletic facilities, theater arts performance areas, multipurpose rooms, classrooms, business offices, and outdoor assembly areas;
- 10) A supplier of high quality musical instruments and supplies for public schools fine arts program;
- 11) An official Apple Educational Sales Consultant (AESC) value added retailer able to service Arizona K-12 schools.

Here is the category for (IFB) 97E-1024 (*from the legal Ad*)

Mohave Educational Services Cooperative (Mohave) solicits sealed bids from qualified vendors for asphalt pavement structures and services for public schools in Arizona.

97E and 97D are due back at **4:30 P.M. Friday, October 24, 1997. Both will be posted on the [Bids and RFPs](#) page as soon as they are ready!**

Preliminary evaluations will take place in our Phoenix office on October, 28th. Members are welcome to help evaluate -- RSVP [here](#).

September 12, 1997

If you didn't get the latest Mohave *High Tech Drifter* Newsletter you can find it [here](#).

September 9, 1997

We now have a page for upcoming and recent [Bids and RFPs](#).

September 8, 1997

[Rhonda Jackson](#) is the newest member of the Mohave procurement team. She will be taking over for Wendy Cooper.

September 3, 1997

An example of a recent Mohave contract is now ready. Download 97B-0523 [here](#).

August 25, 1997

Procurement Specialist Wendy Cooper is leaving us next week (9/6/97). Her husband accepted a promotion in Las Vegas so they have to move. We will all miss her.

August 22, 1997

We are attempting to put our next IFB and RFP up on the web in Adobe Acrobat format. Check back here for more details.

August 13, 1997

We are getting reports that some vendors are not including member's purchase order numbers on boxes and packing slips. We are striving to solve this problem. If your order does not include the correct information (a violation of the vendor's Mohave contract) please call us immediately.

August 3, 1997

Mohave's next RFP and IFB are tentatively scheduled for October 24, 1997. We will post categories as soon as they are finalized. Preliminary evaluations will take place in our Phoenix office on October, 28th.

July 24, 1997

Mohave, ASU's ASPIN, and the Arizona Dept. of Ed. will be putting on a one day seminar for ASPIN Technology Literacy grantees on August 14th at ASU. Please contact craig@mesc.org for details.

July 18, 1997

We had a great time at the AASBO conference in Tucson. If you missed it this year make sure you are there next time. We have added a vendor sign-up page to the website.

July 14, 1997

Mohave will be on a 4-10s schedule (closed on Fridays) until August 10th. We will be exhibiting at the AASBO conference this week.

July 8, 1997

Education Access is no longer the Apple Education Sales Agent for Arizona. Technology Integration Group has been named the new temporary Sales Agent (800-858-0549). Education Access is now the Sales Agent for Power Computing, and is now an official Compaq Certified Education Partner.

June 26, 1997

More updates to the contract page! We added new Sun Country and Targeted Specialty Systems contracts, check their records for more information. Also, MicroAge Mesa is now IKON Office Solutions. Computer Room Technologies' Mohave contracts have been canceled.

June 23, 1997

The contracts page is now fully updated with our new 97B & 97C contracts (we also revised/removed/renamed some old contracts). All of the 97B & 97C categories are decided except for flooring, school administration and food installations. Watch this space for further updates soon.

Mohave's next IFB/RFP is currently scheduled for sometime this fall. No categories have been decided on yet. Members can E-mail ideas for future categories to craig@mesc.org.

June 20, 1997

Two more contracts are in place:

Energy Concepts, Inc. (97B-ECI-2775)

Energy Concepts produces technical training systems for Applied Mathematics, Principles of Technology, Biology, Chemistry and more.

Farallon Communications, Inc. (97B-FARA-2840)

Farallon offers substantial discounts on its line of networking hardware and software products.

June 18, 1997

Our latest new contract is: Sun States Wire Products (97B-WIRE-5850). Sun States provides electronic equipment, cabling and wiring supplies.

June 13, 1997

Two more contracts are in place:

Corporate Express Imaging (97B-CEI-18850).

Corporate Express Imaging (formerly Richard Young) is the largest distributor of imaging and computer supplies in the country. Discounts of 10-15% off already discounted prices.

Honeywell Inc. (97C-HNWL-3715)

Honeywell's new contract is for energy efficient lighting retrofits.

June 11, 1997

We have two new contracts in place:

Anixter, Inc.(97B-ANIX-366).

It replaces their old contract.

Brown's Custom Fence Inc. (97C-BCF-1260).

BCF provides chain link and wrought iron fencing sales and installation.

June 6, 1997

We are still working on responses for RFP 97B-0523 and IFB 97C-0523. The new contracts we award will be placed here first and then be posted to our on-line contract list.

June 2, 1997

Mohave received 24 responses for the 10 categories on RFP 97B-0523 and IFB 97C-0523. We will be meeting with Members in our Phoenix office from 11-4 on 6/3/97 for initial evaluations. Then we will bring the responses back to our main office for final review. This process will take at least a couple of weeks. Check back here for updates and a new contract information. Send questions and comments to: craig@mesc.org.
